

# The UConn Installment Payment Plan

The University of Connecticut is pleased to offer an optional payment plan that lets you spread each semester's charges into four monthly payments. Best of all, your payment plan is set up quickly and easily on a self-service basis directly in your PeopleSoft student account.

The plan is interest-free, however, there is an enrollment fee of \$35 per semester, and **it is necessary to re-enroll in the plan each semester.**

For interested families, enrollment begins June 25<sup>th</sup> for the Fall semester, and November 25<sup>th</sup> for Spring semester.

## How to Enroll:

- 1) Log-in to your PeopleSoft Student Account. Navigate to SA Self-Service > Student Center > Finances > UConn Payment Plan > Continue to Payment Plan  
OR log in to the payment plan directly at:

- 2) Log-in to the payment plan using your student ID and password
- 3) Give access to an Authorized User (parent, spouse, etc.) or enroll yourself in a plan.

## More Details:

- Installments are due on July, August, September and October 15<sup>th</sup> for the Fall payment plan, and December, January, February and March 15<sup>th</sup> for Spring.
- Enrollment is open until Day 10 of classes, however, any missed installments are due at time of enrollment.
- Since payment plan budgets are tied directly to the university fee bill, Students and Authorized Users will receive automatic e-mail notifications concerning changes to fee bills and the impact on the payment plan budget.
- Choose to sign up for Scheduled Payments – this option lets you schedule your installments to be automatically deducted from your account each month.

*"It was so much easier for me to make installment payments for the fee bill, instead of paying it all at once. Having it automatically deducted from my account made it so nice!"*
